

Miyoko's *NEW* Phenomenally Vegan Cheese

Taste good, feels better

Miyoko cheese is a vegan substitute for the typical dairy-based cheese products that offers all of the best elements of traditional cheese without the guilty and risk of dairy ingredients. Miyoko slices *melt perfectly* into your child's favorite lunchtime grilled cheese sandwich, Miyoko is a sure win for a deliciously rich family mac and cheese, with that creamy taste you love so much. Miyoko cream cheese consistency is smooth and bagel-ready! Miyoko offers pizza night perfection with a variety of cheese flavors that stretch perfectly in a picture perfect moment from rising crust.

Miyoko can be enjoyed by everyone. It's:

- Dairy-free
- Soy-free
- Low cholesterol

Miyoko ingredients offer an excellent plant based alternative to vegans and individuals with intolerances or health issues. It's *crafted by cheese-lovers*, who are also committed to their love of living beings. *No guilt* of animal abuse or harming the environment here! And with a great source of calcium (and that awesome taste!) plus superior texture, there's no forfeit: dairy has met its match!
